

SEND and Inclusion – Have your say

www.durham.gov.uk/consultation

Deadline: 17 October 2019

Around one in six children and young people in County Durham have special educational needs or a disability (SEND) and some young people need extra support to stay in education.

Due to funding pressures, we currently spend 15% more on services for SEND and inclusion than we have available.

Working with children and young people, parents and carers, we want to ensure we provide the right support, at the right time, in the right place, based on the money we have available.

Have your say by taking part in our consultation at:

The deadline for comments is 5.00pm on 17 October 2019.
